

YOU MAKE art for everyone POSSIBLE

Art & the Five Senses

Hands-on art therapy classes for those coping with dementia and Alzheimer's in our community's senior living facilities

R.E.A.C.H.

Students with special needs and students that are at-risk of graduating create, build confidence and learn life skills through visual art and culinary classes.

Ready, Set, Create!

For over 12 years, it's our longest running flagship arts education program! Over 400 students receive 4-weeks of hands-on arts instruction at no cost to them or the schools!

Hands-On Arts

Over 100 individual art and culinary classes offered annually for all ages and all skill levels!
