

What's New:

A new member benefit for Visionary Members is the **One-on-One Studio Experience** with an Art in the Loft artist. Visionary members can select from a list of participating artist who will open their studio to share the specific medium and techniques they specialize in for a unique one-on-one art experience!

Members at the Visionary, Renaissance, or Supporting Level are included in Art in the Loft's NEW monthly club: **Art Uncorked!** This is an opportunity each month for members and guests to explore their own creativity with a hands-on activity while getting together in a relaxed setting with an (optional) glass of wine. Each month we will learn something new and have fun connecting with others around the arts!

Visionary and Renaissance members will receive two tickets to a VIP Reception and Art Work Sale to take place during the new **Annual Meeting**. All members are invited to join us at the meeting to recap the year and place their vote on topics for the upcoming seasons.
