OUR SPONSORS MAKE ART POSSIBLE

Food as Fuel 101

A fun, hands-on program where every Alpena 4th grade student learns how to make healthy, delicious meals that give them energy for school and play. They discover how food affects their bodies and how to make smart choices for their overall wellness.

Art & The Five Senses

Creative aging art classes for seniors living with dementia or Alzheimer's. These classes provide a creative space for self-expression and fostering connection while enhancing cognitive and emotional well-being.

Community Hub

We are a vibrant destination bringing people together through diverse creative experiences that inspire, educate, and celebrate the arts! When we are exposed to artwork or given a chance to create something, we begin to understand how important art can be for personal growth and development.
